BJP: Rajnath will solve Kashmir problems by talking to people

PRESS TRUST OF INDIA
Jammu, September 10

THE BJP ON Sunday said home minister Rajnath Singh had come to the Valley with an "open mind" and expressed confidence that his meetings would bring about a resolution to the problems in the strife-torn state.

"Singh has already said he has come with an open heart and mind to talk to people. He will speak to anybody who comes to meet him," J&K state BJP general secretary (organisation) Ashok Kaul told reporters.

Kaul added that all sections of the people in Jammu and Kashmir (J&K) should meet him and put forth their points of view.

"His meeting with the people will help resolve the problems in Kashmir. It will be an achievement," Kaul said.

Ahead of his visit to Jammu and Kashmir, the home minister had said, "I am going with an open mind and I am willing to meet all those who come to meet me. We want a resolution to the problems."

Patel quota stir getting political: Shah

Ahmedabad, September 10: BJP chief Amit Shah on Sunday said organisers of the Patel quota stir in Gujarat were leaning towards "one political party", an apparent reference to the Opposition Congress.

He said the agitation was acquiring political colour as state Assembly polls, slated to be held later this year, approached. The BJP chief was here to take questions from the youth at a programme called *Adikham Gujarat* or Resolute Gujarat. —PTI

Navy's women team on maiden voyage around the globe

PRESS TRUST OF INDIA
Panaji, September 10

AN ALL-WOMAN team of the Indian Navy on Sunday embarked on a circumnavigation of the globe, with defence minister Nirmala Sitharaman calling it a "historic" day for the country. The minister flagged off the first such expedition by the Indian Navy, 'Navika Sagar Parikrama', at a ceremony at the INS Mandovi Boat Pool near here.

The six-member women crew will circumnavigate the globe on an India-built sail boat, INSV Tarini, which is being skippered by Lt Commander Vartika Joshi.

"It's a historic day for India and its navigation history. Globally, I think our women stand out for doing something which most navies haven't even thought of," Nirmala said.
